

# #1

You are deaf and can't hear anything. You are excellent at sign language and walking on a tightrope.

# #2

You are allergic to bees. You speak French because your parents are from France.

# #3

You are blind. You are excellent at hearing noises and identifying sounds.

# #4

You have a great memory and love to study nature. It is hard for you to pay attention and sit still in class.

# #5

You have asthma and sometimes have trouble breathing. You are great at sign language because your father is deaf.

# #6

You cannot smell anything. You are an amazing athlete, and are very good at basketball.

# #7

You have a very hard time reading. You have an excellent sense of direction and you never get lost.
