

# Celebrating INCLUSION

*Fun, food, drinks, and fabulous auction items*

Thursday, June 12, 2025, 5:30-8:30 PM, Cambria Hotel, Portland

As the only disabilities awareness and inclusion organization working in Maine schools, we invite you to join us as a sponsor of this meaningful and lively event! Our programs for grades 1 – 6 are critical to building awareness, respect, empathy, and inclusion in our schools and communities. This event is a major source of program funding.

## YOUR SPONSORSHIP PROVIDES CRITICAL SUPPORT

As a sponsor, you help fund programs that Maine schools rely on to foster understanding and inclusion. Since 2004, we have brought these programs to 9,000+ classrooms in 253 schools throughout the state—all at no cost to the schools. Our interactive, lively, hands-on activities help students understand that disabilities are part of human diversity and don't define a person; realize that we all have strengths to share and challenges to overcome; develop solutions to teasing and bullying and practice empathy and inclusion in the classroom and community.

"You can't always see a disability, but you can see a true friend."

"Now I don't feel like the only one. Before today I felt like I was alone."
